SPECIFICATIONS

LINE	TITAN SERIES		
MODEL	ASH-28AT		
Capacity	Cooling	kW	8
	Heating	kW	8,8
Power supply	Hz		50
	V		220-240
Rated current	Cooling	A	17,4
	Heating	A	15,7
Power input	Cooling	W	2800
	Heating	W	2800
EER	Cooling	W/W	2,85
COP	Heating	W/W	3,15
Noise - indoor unit*	Max	dB(A)	47-48-49
Noise - outdoor unit	Max	dB(A)	60
Air flow	m ³ /hr		1200
Dehumidifying volume	Li/hr		3
Refrigerant	type		R410A
Refrigerant charge	g		2600
Outer diameter	Liquid pipe	inch	3/8
	Gas pipe	inch	5/8
Length connecting pipe	Max	m	15
Extended length	Max	m	10
Dimension (w x h x d)	Indoor unit	mm	1178x326x227
	Outdoor unit	mm	950x840x412
Net weight	Indoor unit	kg	17,5
	Outdoor unit	kg	90
Operating temperature range Max / Min			
Indoor unit	Cooling	°C	32 / 21
	Heating	°C	27 / 20
Outdoor unit	Cooling	°C	43 / 21
	Heating	°C	24 / -5

* Maximum at medium speed

MEMORY FUNCTION

This function remembers the state of operation and therefore in the event of a power failure the unit will start up in its last set state.

HUMANIZED SLEEP FUNCTION

When using this mode the temperature will either decrease or increase whilst asleep to make a more comfortable environment.

24 HOUR TIMER

Allows the unit to be preset on/off within a 24 hour period for added convenience and energy savings.
